

GETAWAY OUTDOORS

LOCAL FISHING REPORT

GERALDTON REGION

16th August 2017

OFFSHORE

North of town offshore from Coronation has seen some hefty estuary cod to 12kg, baldchin groper, coral trout and pink snapper up to 8kg.

West of the shipping channels has been productive for those fishing around the 35 - 40 metre mark with dhufish to 8kg, baldchin groper, red throat emperor and pink snapper making up the bulk of catches.

African Reef is always a popular destination and has not disappointed in recent times with dhufish around the 6kg range in good numbers along with baldchin groper to 50cm and pink snapper to 60cm.

LAND BASED

The local rock walls have been producing numerous whaler sharks for those fishing into the evenings along with occasional mulloway to 12kg and tailor to 40cm.

Seal rocks is a good area to chase a number of bread and butter species such as herring, snook, skippy, yellowtail and chopper tailor.

South of town between Westbank and Flatrocks tailor have been steady with sizes averaging 40cm. Mulloway are also being reported from this location ranging in size from 6 - 8kg, along with the occasional dhufish to 8kg.

Town beach has produced some good catches of whiting near Dome with anglers having success using peeled coral prawn for bait.

Coronation Beach and north towards Oakabella has produced a few tailor up to 60cm, along with mulloway to 13kg and the occasional pink snapper.

SAFE FISHING!
