

# GETAWAY OUTDOORS

## LOCAL FISHING REPORT

## GERALDTON REGION

### 19th July 2017

#### OFFSHORE

Anglers fishing 5 mile have reported plenty of small to medium size dhufish with jigs and soft plastics proving effective. Further afield larger specimens to 13kg have been coming from South West Bank along with some solid pink snapper to 75cm.

Those fishing the lumps out from Coronation have found coral trout, baldchin groper to 45cm, dhufish to 7kg and some sizeable estuary cod.

Closer to land smaller vessels have found the weed banks from Pages Beach through to Separation Point holding good numbers of squid along with sand whiting. Sand patches adjacent to reef sections are holding some good size skippy up to 1kg.

#### LANDBASED

Tailor catches have been steady with fish in the 35 – 45 cm range coming from a several locations. Westbank and Lucy's Beach have all produced their share whilst larger fish to 60cm have come from reef breaks such as Separation Point, Explosives and Chapman Rd.

Mulloway have been prominent along the coast with some nice fish up to 15kg being reported recently. Drummond's Cove, Buller River and Coronation Beach are all producing a few whilst Southgate's Beach and Greenough Beach have also turned it on in recent times.
